

# What Procedures Does United Medical Credit Offer Coverage for?

Nearly all healthcare procedures can be covered, including, but not limited to:

- Cosmetic
- Bariatric
- Audiology
- Fertility
- Vision
- Dental

## Do I Have to Have Perfect Credit?

Because we work with multiple lenders, we are able to secure payment arrangements for just about anyone - even those with less than perfect credit.

## How Do I Apply?

Visit your provider's website and click on the **United Medical Credit** link for direct access to the application. The practice can also send you a dedicated link to the application by text or email.

OR

Visit **UnitedMedicalCredit.com** and click on **Start an Application**

*Remember to identify your healthcare provider in the space provided to ensure consideration for all financing options offered by that practice.*

# Payment Solutions for Your Healthcare Needs

# Get the Procedure You Want NOW!

We will provide you with affordable monthly payments to fit your budget.

At United Medical Credit, our mission is to find the appropriate payment plan for all of our applicants. We work with multiple lenders to provide a variety of financing options - not just for those with good credit.

Our customer service team will work with you individually to review each offer to ensure you understand and choose the best option for you.

## How Does United Medical Credit Work?

United Medical Credit qualifies you for the most favorable financing terms available utilizing our wide network of lenders.

Once approved, we will reach out to you to explain the terms of your customized plan. If you decide to move forward, the funds can generally be available within 24 hours.

Using United Medical Credit to finance your healthcare procedures is as easy as 1-2-3.

**Our payment plans cover procedures from \$1,000 to \$60,000\***

- Simple and quick online process
- Financing options for all types of credit
- Affordable monthly payments
- Competitive interest rates
- No prepayment penalties
- Same as cash financing options available\*\*

*United Medical Credit has helped thousands of patients secure affordable payment plans for their procedures. We can do the same for you.*

**STEP 1**  
**Fill out the Application:** It's simple and should take only a few minutes to complete online.

**STEP 2**  
**Application is Reviewed:** Our wide network of healthcare lenders ensures maximum approval rates and the best terms within minutes.

**STEP 3**  
**Review and Accept Your Terms:**

Our experienced associates will work with you to ensure that optimal terms are secured. Funds can be available within 24 hours.

*\*Some applicants may qualify for more. Actual loan amount and terms dependent on credit usage and history.*

*\*\*On approved credit -DID with provider participation.*
